

Progressive towing cost

- Vehicle Towing: Progressive will arrange towing within a 15-mile radius or to the nearest repair shop if further. You cover parts and repair costs.
- Winching Service: If your car is stuck within 100 feet of a road, they'll assist in pulling it out.
- Battery Jump-Start: They'll jump-start your vehicle if the battery dies.
- Fuel Delivery: Running out of gas? They'll deliver fuel to your location; you only pay for the fuel.
- Battery Charge for Electric Cars: Towing or charging services for electric cars within a 15-mile radius.
- Locksmith Service: Assistance if you lose your keys or lock them inside your vehicle; key replacement costs are your responsibility.
- Flat Tire Change: They'll put on your spare tire at no extra cost.
- On-Scene Labor: Up to one hour of labor is provided; additional time or towing to a repair shop may incur extra charges.
- Cost: Typically around \$16 annually, it varies by location and vehicle type.
